## CONNECTIONS

Hello, from the Grasmoor Mission Community team.

We are all missing being able to meet in churches together at this time. We have online services on Sundays, but we know that not everyone is able to access these services.

We wanted to let you know about a new phone line which has been put together nationally to help people who can not access internet services. This is all completely free!

What you need to do is just ring the number shown above. You will then hear an automated menu, giving you some choices. You then need to press the number on your phone of the choice you would like to listen to. For example, there is a hymn option which just plays hymns for you to listen to. Or you can choose to hear a short talk about a hymn – a different one each day. Or you can listen to some prayers. Or you can listen to a recording of a Sunday service, or a short Morning or Night Prayer. They also have an option to listen to the latest government advice about the situation.

I had a bit of a listen, and I was very impressed. I do hope that this will help you – and please do pass it on to anyone else you know who might appreciate it.

If there is any way we can support you please do get in touch and let us know.
